Hello my name is Patricia Small and I work at the Patent&trademark Office. I have a file docket number 99-2039, serial number 09/575189. The problem we are having with this file is the specification dated 05/23/02, the bottom of each page is faded. We need someone to send a better copy of the specification. My telephone number is 703-305-8390.
